EVENT DETAILS

CLIMATE SMART GOLF TOURNAMENT

On August 21st we are hosting our first-ever Climate Smart Golf Tournament at Eisenhower Park Red Course in East Meadow, N.Y. We would like to offer a unique sponsorship opportunity to help Farm Up Jamaica raise funds to support our mission of connecting corporate to community and bring much-needed awareness to the importance of climate action. So far 2023 is one of the warmest winters ever experienced in Nassau County so the golf tournament is very timely in bringing awareness to climate change and the importance of climate action.

Itinerary

10am: Registration

11am: Brunch

12pm: Shotgun

5pm: Dinner & Trophy Presentation

Tournament

18 holes

25 teams 4 golfers per team

1 Winner & Runner Up

OUR PARTNERS

[Click here to partner with us](#)

We would like partners that can help to sponsor the fundraiser through branded tee signs/banners, participating in the tournament, attending the event, etc. Partnership participation will send a signal to residents and businesses that we care about bringing local awareness to the importance of climate action. Partners will be acknowledged and lauded for their contribution and can add a checkmark to their ESG Sustainability Report.

ABOUT US

Over the last ten years Farm Up Jamaica has pioneered new agricultural technology called Regenerative Climate Smart Agriculture. We are a 501c3 nonprofit organization. We offer corporations globally the ability to offset their carbon emissions through our Adopt a Community Project. This project allows “Hard To Decarbonize” businesses worldwide the opportunity to sponsor the sustainable rebuilding of disadvantaged farming communities in Jamaica. Our Regenerative Climate Smart Agriculture technology helps to feed people while reducing water usage by 66% and mitigates Greenhouse Gases. Sponsors receive projected ESG carbon offset credit for their assistance no matter where in the world they operate; and farming communities get an opportunity to thrive.

COMMUNITY WORK

OUR PARTNERS

As the renowned Edwin Allen High School celebrates its upcoming 60th anniversary Farm Up Jamaica & Edwin Allen Alumni Association have partnered to raise funds to reduce the carbon footprint. A portion of the event proceeds will go towards reconstructing the science lab at Edwin Allen High School where climate and environment studies will be its focus.

THANK YOU

FOR HELPING US

We would be grateful to have an opportunity to discuss how your partnership will be beneficial to us all. Thank you for your time and attention and we look forward to your response.
